

With the PLUSRONDO promotion,  
**BE THE FIRST IN LINE.**

**MED**  **EL**

Between now and availability, choose a MED-EL Cochlear Implant and receive a voucher for a FREE next generation RONDO audio processor with your CI system! With the **PlusRONDO** promotion, all new CI recipients have the option to experience two ways to hear: the freedom of nothing behind the ear with an all-in-one, cable-free design, and the exceptional performance of the SONNET Audio Processor – all backed by MED-EL's industry-leading five-year warranty.

New recipients also benefit from the outstanding reliability and exceptional hearing performance of the SYNCHRONY Cochlear Implant.

\* PlusRONDO is only available to patients implanted in the USA with patient kit order forms and corresponding purchase orders received on or after March 7, 2018. This promotion will continue until new technology approval and availability, estimated Fall 2018.
